Beauty of British Columbia  
Canadian Wine Dinner

May 29, 2013

We all know that Canadian ice wine is good, but this is merely a tip of an iceberg. This May, Hotel ICON would like to invite you to the first Canadian wine dinner featuring the underestimated treasure hiding in British Columbia province. Mr. Miles Prodan, Executive Director of British Columbia Wine Institute (BCWI), will be here to present the region and its wines. An 8-course Chinese menu, designed by our Executive Chef Tse and our wine team, will highlight the characters of 11 wines produced by 6 iconic wineries. Join us for the dinner to discover the secret of Canadian wines.
